Aïtor **Olivos**

Engineering student in Computer Science and Mathematics
About me

I am a 20 year-old at the beginning of my engineering courses in Mathematics and Computer Science at ENSEEIHT.
Interests

I am fond of Computer Science challenges. Moreover, I have a particular interest in software systems through software engineering.

SHORT RESUMÉ

2023–2025 — **MPI Preparatory Class Student (Mathematics, Physics, and Computer Science)**
CPGE Thiers · Marseille, France 📍
The Mathematics, Physics and Computer Science (MPI) preparatory class was a theoretical course that prepared me for the entrance exam of ENSEEIHT. Yet, I acquired a foundation of scientific knowledge that are still usefull for the rest of my academic path.

2025–2028 — **Engineering student**
ENSEEIHT · Toulouse, France 📍
I am currently in my first year as an engineering student at ENSEEIHT. My engineering courses come from both the Soft Skill Center department and the Computer Science department.

SOFT SKILLS

|	
Critical Thinking	Analyze objectively, question assumptions, and make fact-based decisions.
Resilience	Bounce back from setbacks, adapt to change, and stay productive under pressure.
Perseverance	Stay committed to long-term goals despite obstacles or delays.
Sociability	Build positive relationships, communicate effectively, and collaborate.

DEGREES

2023 — **Baccalauréat of Mathematics and Computer science**
GRADUATED WITH DISTINCTION FROM LYCéE ALBERT CALMETTE · Nice, France 🏛

PROGRAMMING

- OCaml, C
- LaTeX
- Bash, Git Bash
- Ada
- Python
- MATLAB

CERTIFICATES

2021 — Basic First Aid Certificate (Premiers secours citoyens)
2023 — Certificate in Aeronautical Studies (Brevet d'Initiation Aéronautique)
